A note before you start:

For the garnish for this cocktail, I used green grapes that I threaded onto a bamboo skewer and placed them on a plate in the freezer. Not only are they a stylish garnish, they also keep the drink cold!

Ingredients:

4 oz of vodka of choice
3 oz of Midori Liqueur
2 TBSP of freshly squeezed lime juice
8 oz of white grape juice

Step 1: Thread 3 green grapes onto a cocktail skewer and place on a plate in the freezer. Do this at least an hour before serving.

Step 2: Fill a cocktail shaker with ice. Add all the liquid ingredients and put the top on the shaker and shake vigorously for 15-20 seconds.

Step 3: Strain the cocktail into a martini glass and garnish with the frozen grapes.

Cheers!
