A note before you start:

This recipe requires a little planning ahead as it calls for freezing cranberry and lime juice in ice cube trays.

Ingredients:

1/4 cup of fresh lime juice

1 1/2 cups plus 2 Tbsp cranberry juice, divided

2 cups of frozen strawberries

1 cup of lemon vodka

1/4 cup Cointreau

Lime slices for garnish

Step 1: In a large liquid measuring cup, combine the lime juice and 1 1/2c of cranberry juice. Divide among 2 ice cube trays and freeze until firm, about 3 hours.

Step 2: In a blender, puree the flavored ice cubes, strawberries, vodka, Cointreau and the remaining 2 Tbsp of cranberry juice until thick and smooth. Divide between 4 glasses and garnish with lime slices.

Bonus: If you happen to have any leftovers, you can pour the mixture into a sealed container and freeze. The mixture becomes a boozy sorbet.

Cheers!
